

GREEN APRON PROJECT:

Version 2.0. Dated July 1st, 2026

PURPOSE: to register donors for “SimpleGesture.org”. Learn all about it [here](#).

WHEN and WHERE to WORK:

- You will arrange your own work sites. We will give you ideas, and you take it from there. For example, Farmers Markets, music festivals, county and city fairs, or in front of a grocery store.
- We will also have other events already set up that you can opt into. A [Google Shared Calendar](#) will keep your schedule as well as show other events you can join.
- You decide when and where you wish to work, but once you commit it is important you work at that event.
- We will provide you a personal website, with your own QR code and URL to track your registrants.
- You can also provide your personal QR code and URL to anyone; friends, family, neighbors, etc. Since this is not tied to an event, it pays \$12.50 per registrant.

COMPENSATION:

- You will be paid the greater of \$12.50 for each person registered or \$25 per event. If it is an event that requires set up, you can show up 15 minutes prior to the start time, otherwise the ‘event hours’ match to the event itself.
 - If you are paid per hour, it is necessary to explain you need to average 2 registrations per hour as a general need, because our grant \$’s pledge we will achieve those minimum results.
- Event Finders Fee; We will pay you for succeeding to set up events. The amount is more of a bonus, rather on a fixed fee basis. But for example;
 - If you spend 2-3 hours a week successfully arranging 20+ hours of events for you or others to work in a week, you can expect \$50 for your time.
 - The whole idea of “Event Finders Fee” is that you benefit by creating the events, since that is how you get paid. Plus you can earn some extra money being successful at setting up events.

How The Payment Works;

- Invoice us weekly; send invoice to GAP@SimpleGesture.org
- The week ends Sunday night.
- Invoice will show the following for the week;
 - Each session. And for each session the # of hours and # of registrations.
 - Any extra expenses we have pre-approved (for example, some events want a fee to rent out space).
 - Any extra bonus for arranging events, explain what you accomplished and the time it took and we will let you know the bonus amount.
 - We will pay using ‘RCUpay’ which is similar to Zelle.
 - We will need your SS# and address to file a 1099 at the end of the tax year.
