Meyer Beefalo Farm
How Our Order Process Works (2022-23)

Beefalo steak animals

Half, or quarter animal = fee based on hanging weight (HW). Processing fees extra & are paid upon pickup. For quarters orders, the butcher processes the meat as “split side” (half of meat from front half of animal & half of meat from back half). Hanging weight (HW) = weight of the animal after hide & internal organs are removed. Finished weight (FW) weight of the meat with most of the bones removed, *on average* can range from 55-65% of the hanging weight depending on how the meat is processed. (Maximum order 1/2 animal)

Beefalo burger animals

80# or 40# bundles of 1 lb. bags of burger = priced per lb. Processing fees extra. (Maximum order 80#)

Idaho Pasture pigs (available for spring 2023)

Whole or half animal = fee based on hanging weight (HW). Processing fees extra & are paid upon pickup.

Katahdin Lambs

Whole animal = fee based on hanging weight (HW). Processing fees extra & are paid upon pickup.

Poultry

We are no longer selling poultry.

When ordering, you will note that the options often cover two months (example: Aug/Sep). There are times when we require the flexibility to delay or move up an appointment date depending on when the animal is ready to butcher.

With a limited number of animals available, orders are filled on a first-received basis (printed order form & deposit check) and if sold out, your deposit will be refunded if we are not able to fill your order.

The following is a guide to the approximate hanging weights. PLEASE NOTE: Hanging weights can vary considerably depending on the age, sex and natural variability of each animal. We do our best to process at mid-range but without a livestock scale that is impossible to do every time.

Beefalo (steak animal): 125 – 175 lbs. per quarter

Pork: 75-80 lbs. per half

Lamb: 50-70 lbs. per whole

Meyer Beefalo Farm
Terms & Conditions 2022-23

Please read the following carefully and adhere to our terms and conditions as follows:

Please order using our order form. A non-refundable deposit (cash or check only—no credit or debit cards accepted) must accompany every order (no phone, email or verbal orders will be accepted). When we receive your order form and deposit, we will put you on the list and email a confirmation to you.

Butcher appointments are made in advance. We will give you an appointment as close to your requested time as possible. We will notify you by email within one week prior to the appointment date. At that time, we will give you the butcher's phone number so you can contact them within a specified range of dates to let them know how you want your meat cut up and processed.

We will obtain the hanging weight (10-14 days for Beefalo, 1-2 days for Pigs & Lambs after it goes in for processing), and email you an invoice for the meat. **Payment is due upon receipt of the invoice.** If we do not receive your payment within 4 days of the invoice date, it will delay your pickup date and we will charge you a \$5 late fee. We (Meyer Beefalo Farm) will contact you when the meat is ready for pickup at the butcher shop. Please do not contact the butcher other than to give them your cutting instructions. You will pay the butcher for the processing fees at the time of pickup unless invoiced with meat. Pickup must be done within 1 week of notification.

If you have any questions or comments, please contact us at (507) 931-1889. *Thank you for your support of our farm.*

4 Simple Rules that we REQUIRE that you adhere to out of courtesy and respect for our butcher and us:

- 1) Mail in your order form with non-refundable deposit check
- 2) Call in your cutting instructions to the butcher within the 2-3 day window that we notify you of with the appt. notice
- 3) Mail your final meat payment to us, so that it arrives by the due date (note: all mail delivery takes 4—5 days to get to us as all mail is routed up to Minneapolis/St. Paul for sorting)
- 4) Wait for us to contact you for pick up and then pick up your meat from the butcher within 1 week of notification.
