Verse 1

Free as a bird
Flying high in the sky
On the thermals above
With the clouds

Verse 2

Free like a stream
Nothing to hold it back
From reaching
The big wide open sea

Bridge 2

I want to be like a bird
In the sky
Follow the stream
To the big ocean wide

Verse 3

Free like the wind
Come and go as you please
Through the hills and valleys
Just free

Bridge 2

That's how I want to be
That's how I want to feel
Free
