Chorus

I see bright colours of Nubialand
All the right colours, home
It's my sanctuary
My sanctuary

Verse 1

Arms that are outstretched, voices calling my name
Wide eyes embracing, confirming my belonging here
Oh the sun's warming stroking my skin caressing me
Caressing me

I see bright colours of Nubialand
All those beautiful colours, home
It's my Sanctuary
My Sanctuary

Authentic smells dancing so freely in the air
Dust-ridden roads twisting and turning to who knows where
Oh there's my Auntie, Uncle and Granny
Patiently waiting for me
