

2026 Rain Barrel Order Form

Name: _____
 Address: _____

 Phone: _____
 Email: _____

Painted by Cindy Sepucha - crp.org

All rain barrels are being offered at \$75.00 and tumbling composters at \$180.00.

Rainwater harvesting benefits any scale of use—from a single houseplant to a full garden. Rain barrels help reduce stormwater runoff carried by pollutants and sediment into local creeks and rivers. They're a simple, effective way homeowners can protect and improve watershed health.

Each rain barrel is approximately 55 gallons and is fully assembled with a screen mesh lid, two overflow spigots and a bottom drain plug.

All barrels are made from recycled food-grade drums once used to carry food products.

Item	Qty.	Total
Black Rain Barrel		
Grey Rain Barrel		
Blue Rain Barrel		
Terra Cotta Rain Barrel		
Tumbling Composter		
Grand Total		

Each order must be paid in full at time of order. Orders are due Tuesday, April 21, 2026.
