MILESTONE PROJECTS

2020-2023 - DHA LAHORE

Xenon Ventures achieved significant milestones with its involvement in the prestigious DHA Lahore project, located in Lahore, Punjab, with a volume exceeding 2.8 billion. Spearheading the construction of key phases including DHA Overseas Enclave-Phase 7, Prism-Phase 9, and Rehbar-Phase 11, we undertook a comprehensive range of infrastructure development tasks. These encompassed the implementation of drainage systems, SDS systems, water and gas supply networks, as well as the construction of roads, flyover bridges, and underground cabling infrastructure. Moreover, our endeavors included the installation of 100,000-liter overhead tanks, electrification comprising street lights, transformers, and HD Armoured Cable, all contributing to the enhancement of DHA Lahore's infrastructure and community well-being.

2017-2019 - FWO BOYA CAMP

One of Xenon Ventures' milestone projects is the Copper Processing Unit located in Boya, North Waziristan, with a project volume of 800 Million. In this endeavor, we successfully constructed essential infrastructure including a water storage dam, roads, and chemical labs equipped with state-of-the-art equipment. Notably, we undertook the electrification of the project area spanning 48 kilometers, from Milan Shah to Boya Camp, laying down specific HT cables, installing poles, street lights, transformers, and fixing MCCBs. This project stands as a testament to our capability in delivering comprehensive solutions that contribute to the sustainable development of communities and industries.

2018-2019 - CMH KHARIAN

Xenon Ventures achieved a significant milestone with the successful construction and development of the CMH Medical College & Cafeteria in Kharian, with a project volume of 417 Million. Our involvement encompassed the construction of the CMH Medical College, from laying the grey structure to meticulously handling the finishing touches. This comprehensive project required precise planning, expert execution, and a commitment to excellence at every stage. By delivering a high-quality facility that meets the stringent standards of the medical education sector, Xenon Ventures continues to solidify its reputation as a trusted partner in large-scale construction projects.

2018 - MEHFOOZ SHAHEED GARRISON LAHORE

Xenon Ventures achieved a significant milestone with the successful completion of the Upgrading & Renovation project for the Mehfooz Shaheed Garrison Mess in Lahore, with a project volume of 196 Million. Our team spearheaded the reconstruction of the mess, undertaking extensive renovations and refurbishments to enhance its functionality and aesthetics. From structural improvements to interior enhancements, every aspect of the project was meticulously executed to ensure the highest standards of quality and durability. Through our comprehensive approach and attention to detail, we transformed the Mehfooz Shaheed Garrison Mess into a modern, welcoming space that meets the evolving needs of its occupants. This project exemplifies our commitment to excellence and our ability to deliver outstanding results that exceed expectations.

2015- 2017 -SHEIKH KHALIFA BIN ZAID AL-KHAYAN HOSPITAL WANA

Xenon Ventures proudly completed the construction of Sheikh Khalifa Bin Zaid Al-Khayan Hospital in Wana, with a project volume totaling 238 Million. Our comprehensive scope of work encompassed the construction of the hospital building, from grey structure to finishing touches. Moreover, we executed specialized installations including fire alarm and fire hardening systems, CCTV surveillance, Central Airconditioning setup, as well as Public Announcement and Nursing Call Systems. This milestone project showcases our ability to deliver complex healthcare infrastructure projects with precision, efficiency, and a commitment to meeting the highest standards of quality and safety.

2017 - AUDITORIUM POF TAXILA

Xenon Ventures successfully completed the construction of the Auditorium for the POF Taxila Medical College project, with a volume of 362 Million. Our scope of work encompassed the installation of state-of-the-art multimedia systems, including Smart Interference Systems and Human Smart Inference Multimedia screens. Additionally, we undertook meticulous finishing and furnishing to ensure the space met the highest standards of functionality and aesthetics. This milestone project stands as a testament to our expertise in delivering comprehensive solutions that integrate cutting-edge technology with impeccable craftsmanship.

2016 - NCTC PABBI

Xenon Ventures proudly highlights the completion of the NCTC - Pabbi (National Counter Terrorism Centre) project, a monumental undertaking with a volume of 85 million. Revered as "The Sick Project" by Lt. Gen Omar Durrani, Commander 1 Corps, and CC Engineers Brig Waheed Gul Satti, the NCTC Pabbi project was initially deemed impossible due to its challenging timeline. However, through divine providence and under the expert guidance of Lt. Gen Omer Durrani and CC Engineers Brig Waheed Gul Satti, in collaboration with 13 EB, Xenon Ventures successfully executed the construction, including grey structure, finishing, and furnishing. The project's completion culminated in its inauguration by the Honorable Chief of Army Staff, Gen Raheel Sharif, marking a significant milestone in the fight against terrorism.
