

MORGAN FALLS EVENT CENTER IS AN OFFICIAL BEYGOOD AMBASSADOR

ALVIN, TX /October 2023— Alvin’s premiere, award-winning, venue named Beyonce Knowles-Carter’s foundation BeyGOOD Houston Ambassador! The multi-talented celebrity hosted a private, invitation only luncheon on every stop of her Renaissance concert tour, called the Black Parade Small Business Impact luncheon. This event was only for selected entrepreneurs that applied for the BeyGOOD grant. In 2020 during one of the most economically challenged times in our nation, Mrs. Beyoncé Knowles-Carter (BeyGOOD Foundation, Founder) launched the Black Parade Route to celebrate and elevate entrepreneurs committed to severing their communities. This much-needed gateway of hope assisted over 900 small businesses globally with \$10K grants and digital recognition.

Morgan Falls Event Center was one of the selected small businesses to attend the luncheon. Although the venue wasn’t a \$10K grant awardee; the owner returned with several awarding opportunities, and memories to last a lifetime. Mrs. Kristina Cox is the owner of Morgan Falls Event Center. She had the privilege to meet several celebrities, share Alvin with those in attendance, and Morgan Falls is listed on the BeyGOOD.org Houston Parade Route, as an official BeyGOOD Ambassador. Morgan Falls is now part of the BeyGOOD foundation community and participating in future events. Following the EPIC private luncheon, Cox did a live video on Instagram recapping the experience and shared some of the rewarding highlights.
