Highlights

5 Foil Highlights –

Adds soft brightness to frame your face or enhance specific sections of your hair.

Partial Highlights –

Brightens selected areas for a sun-kissed, natural-looking glow.

Full Highlights –

A full head of highlights to create beautiful dimension and shine — from subtle contrast to bold blonde.

Toning & All-Over Color

Toner –

Refreshes your color, balances undertones, and adds healthy shine after coloring or lightening.

Global Permanent Color –

A full-head, long-lasting color transformation. Perfect for a new shade or a rich, glossy refresh.

Balayage & Ombre

Hand-painted color that creates a soft, blended transition from darker roots to lighter ends. Perfect for a low-maintenance, effortless style that looks beautiful as it grows out.

Biotin / Botox Treatment

A deeply restorative treatment that infuses your hair with biotin and nourishing proteins. It helps rebuild damaged strands, adds smoothness and shine, and leaves your hair feeling soft, healthy, and full of life.

Smoothing Treatment

Designed to control frizz and tame unruly hair, this treatment smooths the cuticle for a sleek, silky finish. Perfect for anyone looking for effortlessly manageable hair that still has natural movement.

Hair Straightening

Get sleek, straight, and frizz-free hair that lasts. Our professional straightening service delivers smooth, glossy results while keeping your hair strong and shiny. Ideal for those who love a polished, everyday look.

Hair Spa

A rejuvenating experience that nourishes both your hair and scalp. This relaxing spa treatment restores moisture, improves texture, and promotes healthy growth — leaving your hair refreshed, soft, and glowing.

Perming

Add volume, bounce, and natural-looking curls or waves with our customized perming service. Whether you want soft waves or defined curls, we tailor the process to suit your style and hair type.
