EDUCATION

THE UNIVERSITY OF TEXAS AT AUSTIN, McCombs School of Business, Austin, TX **May 2027**

Master of Business Administration, Energy Finance

- Energy Finance Group Co-President, Texas MBA Fund, Toigo LIFE Participant, KBH Graduate Fellow

TEXAS A&M UNIVERSITY, Harold Vance Department of Engineering, College Station, TX **August 2018**

Master of Science in Petroleum Engineering

- Magna Cum Laude Graduate (3.7), SPE Graduate Rep, LSAMP Bridge to Doctorate XII Fellow

GEORGIA INSTITUTE OF TECHNOLOGY, Woodruff School of Engineering, Atlanta, GA **May 2016**

Bachelor of Science in Mechanical Engineering

- Magna Cum Laude Graduate (3.8), GTSBE International Chair, GTL Study Abroad (France), LSAMP Scholar

EXPERIENCE

PIPER SANDLER

Leading middle-market investment bank headquartered in the United States with ~1,800 employees worldwide

Investment Banking Summer Associate, Houston, Texas

Summer 2026

- Screened 10+ global buyers across \$3B+ of upstream asset packages on M&A and A&D transactions for Lower 48 clients, shaping deal positioning and valuation strategies for senior deal teams
- Priced >\$1B in lease transactions and ran comparable-company and precedent-transaction analyses to drive asset-level underwriting and portfolio screening decisions
- Built valuation and benchmarking models, and prepared pitch materials for 3 Appalachian gas producers, presenting findings to Managing Directors to inform competitive bid strategies and transaction pricing

BIOGAS ENGINEERING

CA-based engineering, procurement, and construction (EPC) firm focused on RNG infrastructure with ~100 employees

Project Manager, Houston, Texas

2022 - 2024

- Generated \$200K–\$1.25M in savings per project and delivered natural gas processing facilities 2+ weeks ahead of schedule by managing project lifecycle through EPC, fabrication, factory acceptance testing, and commissioning
- Improved PMO workflows 25% by leading a 3-person cross-functional team across a ~\$15M RNG portfolio (4+ projects), owning budget, forecasting, strategic execution, and strong client relationships from contractual NTP to handover

EXXONMOBIL

Fully integrated multinational energy company headquartered in the United States with ~61,000 employees worldwide

Lead Wells & Planning Engineer, Georgetown, Guyana (Rotator)

2020 - 2021

- Spearheaded 3 major oil discoveries by delivering E&A wells in a frontier basin on schedule, under 90% AFE, saving >\$1.5M per well while overseeing 10+ service partners across exploration, workover, and abandonment operations
- Captured >\$1M savings by optimizing batch offshore operations and phase requisition estimates, resolving 976 safety line items on 6 rigs with 2 contractors, and closing 27 technically complex process safety MOCs for compliance
- Delivered business unit objectives 20% above target by pitching capital efficiency initiatives to senior leadership, optimizing rig sequencing and well-test design for deepwater offshore exploration and appraisal campaigns

Wells & Operations Engineer, Houston, Texas

2018 - 2020

- Reduced well days by ~60% on Ellwood offshore P&A campaign, lifted LaBarge onshore productivity by >1.1 Mscf/d per well, and streamlined organizational resourcing to sustain operations during the COVID downturn
- Accelerated a 10% field-wide productivity gain across unconventional Permian Basin assets by optimizing water-alternating gas well injections for enhanced oil recovery and collaboratively resolving daily asset management challenges

ADDITIONAL

- **Skills:** Financial Modeling & Valuation, Project Economics & Analyses, Commodities, Due Diligence, Excel, Capital IQ
- **Leadership:** CGIU Alumni Ambassador (2021), UN Youth Assembly Delegate (2019), WorldBank Youth Delegate (2018)
- **Certificates:** Financial Statements Analysis (WSP 2025), Bullpen AI (2025), Excel-PP (WSP 2025), LB1 (Rapport 2024)
- **Awards:** Top16, Commonwealth (2020); 1st place, FAF IC (2019); UROP Awards (2015); Shell Innovator II (2016)
- **Interests:** International travel, basketball, afrobeats
