May 2027

- GRE 328 (Q168 V160); John & Rosemary Brown Scholarship
- Vice President, Operations Club; Vice President, Energy Club
- ZeroBy50 Impact Project: Directed go-to-market strategy for a TIME-recognized sustainable-cup startup; analyzed 2,400+ operator and consumer responses to pivot from sustainability to performance, unlocking an 8x larger addressable market

MAHARAJA SURAJMAL BRIJ UNIVERSITY

Rajasthan, India

Bachelor of Laws (LL.B.)

Sep 2023

INDIAN MARITIME UNIVERSITY

Chennai, India

B.Sc., Nautical Science (GPA: 3.6)

Sep 2015

EXPERIENCE

AMAZON.COM, INC.

Jacksonville, FL

Operations Manager Intern

Jun 2026–Aug 2026

- Recovered \$51K/year in labor at an Extra-Large delivery station (120K packages/day) by leading a root cause analysis of 50K daily order records and reconfiguring the package staging area for dispatch
- Built a Python-based network simulation tool and piloted it at 10 Extra-Large stations, validating a staging redesign that scales to \$1M+ in projected annual savings across all 250 stations

SUI GENERIS CONSULTING PVT. LTD

Delhi, India

Boutique management consulting and corporate finance advisory firm serving small enterprises

Associate Consultant (Corporate Finance & SME Advisory)

Apr 2025–Jul 2025

- Enabled \$600K working capital financing for 3 small businesses by building 13-week cash flow models and presentation materials used with major Indian banks (HDFC/ICICI)

K LINE (KAWASAKI KISEN KAISHA, LTD.)

Mumbai, India

Global shipping and logistics company (HQ Tokyo; \$10B+ revenue; 40+ countries)

Operations Manager (Third Officer)

Oct 2023–Mar 2025

- Generated ~\$1M in additional revenue per voyage by improving vessel capacity utilization by 20% through demand forecasting
- Redirected a \$170M crude carrier and 40-person crew around a 30-foot storm; resulting decision framework was adopted company-wide as standard operating procedure
- Reduced fuel spend by \$80K/year (5%) on Persian Gulf to Asia routes by building route optimization models that integrated weather forecasts and geopolitical risk data

ZODIAC MARITIME LTD.

Mumbai, India

UK-based ship management company (HQ London) with global fleet operations

Operations Manager (Third Officer)

Jul 2022–Oct 2023

- Cut transit delays by 20% on the company's inaugural Strait of Magellan passage by scenario-testing weather windows and navigation risk
- Increased reporting of safety incidents by 30% and mitigated \$1M in potential loss exposure by leading a project to digitize safety reporting

BP SHIPPING (BRITISH PETROLEUM)

Mumbai, India

Marine transport division of BP; Fortune Global 500, \$200B+ revenue

Operations Analyst (Navigating Officer)

Jan 2016–Jan 2021

- Cut navigation spend by 70% (\$100K/year across 7 vessels) by leading digital chart migration and training, later adopted as fleet SOP
- Valued 3 vessels for \$75M+ in divestment decisions by building the cost and pricing benchmark models
