

**Dear South Fayette Resident:**

WM is proud to be your environmental solutions provider. As part of our new contract with South Fayette, all residents will receive automated curbside collection. Our automated collection service will provide residents with a 96-gallon cart for trash, and you will continue to use your current 64-gallon recycle cart. Trash cart delivery will take place in the Spring of 2024. After 60 days, residents may request a smaller trash cart by contacting WM. The attached calendar shows your recycling and bulk collection service weeks.

WM is excited to continue our partnership with South Fayette and looks forward to helping your community be as green as possible.
