

# Hickory on the Green Animal Donation Day Saturday, October 26<sup>th</sup> Front Entrance From 9am-Noon

The Washington Area Humane Society is a no-kill shelter, meaning they do not euthanize animals to make room for other animals. WAHS prides itself “on giving every animal a chance at a loving permanent home regardless of age or medical condition.” WAHS is funded solely by private contributions and donations. It takes in more than 650 animals and investigates over 300 abuse cases annually.

Through the years, Hickory on the Green has collected needed supplies and monetary donations at Halloween Time to “treat” the animals at the Washington Area Humane Society No Kill Shelter. The Shelter’s humane philosophy of providing shelter, safety, and food for orphaned and abused animals with the goal of placing them in loving homes is one that our animal loving residents had a desire to support.

We will be collecting donations for the Washington Area Humane Society on Saturday, October 26<sup>th</sup> from 9am- noon by the front entrance parking lot. We will deliver all contributions in the name of Hickory on the Green Community. Checks can be made out to the Washington Area Humane Society and a list of their most needed items is attached.

**We will also be providing some treats and crafts to the children of our community so please make sure to stop by (you do not have to make a donation to receive a treat or craft).**
