

LECTURE & EXHIBITOR INFORMATION

14th
Annual

SAN DIEGO DENTAL CONVENTION

June 19-20, 2026
November 20-21, 2026

**SALES! • Branding • Leads • Networking • Outreach
Product Demonstration • Marketing • Education**

This event is the first of its kind where many dental manufactures, local organizations, dental societies, dental study clubs and Dental Professionals will gather to reunite with acquaintances and local friends to learn about new technologies and dental procedures available to improve their dental career.

We offer an excellent opportunity for your organization to gain exposure within the Southern California dental community through Lecturing, advertising and Exhibiting of your companies products. There are advertising options available and booths for exhibitors to advertise and promote services or merchandise for sale.

To ensure an even flow of traffic, beverages will be served exclusively within the exhibiting areas encouraging more interaction among all participants. Please contact me about cost effective options for holding your own seminars to demonstrate and launch your products or services.

Suggestions for additional sponsorship ideas are encouraged and welcome.

Thank you,
Chris Ippolito, Executive Director
619.277.4743, Chris@ceadental.com
