

# Welcome to the Gentle World of Midwives!

Home birth is naturally gentle. Midwives who facilitate home birth are expert caregivers for natural birth. Betsy Robinett has been lovingly attending natural home births since 2005. Since she is based in a rural area, she has a smaller practice, which means that your pregnancy care will be relaxed and you will be given all the time you need for discussing any questions and health issues at your prenatal visit.

You're in for a treat if you've never experienced midwifery care!

If you're looking for a wonderful, natural alternative for your childbearing years, She offers her services to the North Central part of rural Texas.

She is based in Comanche County and serves approximately a 50-mile radius. Counties served include: Bosque, Brown, Callahan, Coleman, Comanche, Eastland, Erath, Hamilton,

Hood, Mills, Palo Pinto, Parker, Shackelford, Somervell, and Stephens. She mainly serves in the Stephenville and Brownwood areas. She has begun serving the Abilene area and offers prenatals once a week in Abilene.

If you would like to visit with her prior to hiring her as your caregiver, she offers a free consultation. Don't hesitate to ask for this!
