

# Allegheny County Community Asset Map

Developed by Pittsburgh Regional Transit, 2025

Pittsburgh Regional Transit - Planning Department compiled this community asset map to inform future work on station evaluation plans and corridor planning. The Community Asset Map highlights essential locations that serve the needs of transit riders across Allegheny County.

The map was developed using data from local data agencies such as Allegheny County, Pennsylvania Spatial Data Access (PASDA), Western Pennsylvania Regional Data Center (WPRDC), BikePGH, and Greater Pittsburgh Food Bank.
