3:3 Align & Elevate

A Full Moon Activation + Media Experience

Brand Alignment Workshop

An intimate workshop for founders and creatives who want clarity around their brand and the audience they're building for.

The session opens with a brief full moon intention-setting moment to help focus your vision and direction. Hosted by 3 Media Powerhouses, delivering the tools to align and elevate your brand.

You'll move through a simple framework to clarify your energy, your brand,, refine your message, and align how you show up with who you want to reach.

What you'll leave with:

- New energy & self awareness
- A clear brand position
- Defined audience focus
- A 30-second brand pitch
- Professional headshots aligned to your brand
- Short media clips you can use for social, press, and visibility

This is about CLARITY first — we will illuminate your content to reflect your brand naturally.
