

Why would you choose Nanoose Bay as a place to live, you ask? Well, let me tell you what my answer would be...

Nanoose, our charming waterfront community, embodies the essence of a small town with strong community values. It is a place I proudly call home, where my family and loved ones reside. Nanoose exudes a magical aura, with its abundance of stunning beaches, unwavering community support, and a wealth of talented local artists. Whether you are an avid golfer, an outdoor enthusiast, a craft beer connoisseur, have a need to be on the open water, or an artist who likes the picturesque location to allow your creativity to flow, I am sure you will all find a place to call home in this wonderful community. Thank you Nanoose Bay residents for making this community one to be proud to live in and proud to recommend to your potential new neighbours.

I am grateful to be Your Nanoose Bay Realtor®!
