- Your child will need to bring a towel, goggles, and flip flops each day of swimming.
- You will need to purchase junior goggles that will not let water in there eyes.
- Long hair **MUST** be put up and pinned out of faces. It's hard to breathe with hair in your mouth!
- Lessons are to be paid for on the first day of class. Cash or checks are accepted.
- Parents are **NOT** allowed to stay on the pool deck during class time. However, you may stay under the covered deck while your child is swimming.

During swimming lessons, your child will learn to put his/her face in the water. We will play games with the children and get them comfortable in the water. They will learn how to hold their breath, float, use a kick board, kick properly, move their arms well over their heads, jump in the water and swim to the side and across the pool. They will also learn pool safety and how to think about safety around a pool.

  - Each child at the end of each session will receive a certificate of completion of the skills and or level completed.
