To our Preferred Dentistry Associates patients,

Our practice has grown and in order to continue providing you the best standard of care, we are bringing on a new dentist. We are very excited to welcome Dr. Alexander Karkazis to Preferred Dentistry Associates, beginning on July 12, 2022!

Dr. Alexander Karkazis is the eldest son of Dr. Frank Karkazis and is extremely excited to follow in his father's footsteps and continue to care for the patients Dr. Frank Karkazis has cared for the past 35 years. Dr. Alexander Karkazis graduated from Marquette University in 2017 with a B.S. in Biological Sciences. He continued his studies at Marquette University School of Dentistry, graduating in 2021 with his D.D.S. Dr. Karkazis then completed a 1-year General Practice Residency at Faxton – St. Luke's Healthcare Center in Utica, New York, where he learned advanced comprehensive dental care in the hospital setting, in addition to receiving training in the sciences basic to a general dental practice.

Dr. Karkazis is passionate about providing the best care to his patients while educating on the importance of oral health care and oral hygiene. Dr. Karkazis is compassionate, understanding, and excited to meet all of his new patients and provide the best care his father has provided for many years.

You can book your next appointment with Dr. Alexander Karkazis by calling our office at 847-491-0660.

We look forward to seeing you soon!

Sincerely,

Your Dental Team at Preferred Dentistry Associates
