ATTENTION: RESIDENTS OF WESTPORT COUNTY WATER DISTRICT

The Westport County Water District (CWD) has authorized Rural Community Assistance Corporation (RCAC) to conduct an income survey in your neighborhood. Attached is the survey form that will be utilized to obtain the needed information. Please complete the survey to the best of your ability.

The information obtained through this survey is necessary to determine funding eligibility from various federal or state funding programs. The District plans to submit two planning applications and subsequent construction applications, one for drinking water and one for wastewater.

The water system has a failing 100,000-gallon redwood tank that needs replacement and a desire to pursue a groundwater source to augment or replace our surface water source. Our wastewater lift station is in poor shape and needs refurbishment and all our buildings are deteriorated and need repaired or replaced.

This survey is being conducted to establish an accurate Median Household Income of the service area. Any personally identifiable information will be kept confidential. Income data may be publicly released but will not contain any personally identifiable information. It is important that the information you provide is an accurate representation of the questions asked. Please complete the attached survey as soon as possible and return the completed survey form in the included pre-addressed, postage paid envelope. Assistance can be arranged to help you complete the survey if required. **If a response is not received within 15 days, you will receive an additional notice with a second copy of the form for your response.**

Once the completed surveys have been received, RCAC will create two separate lists: one with anonymous data from the survey, and one with a list of households. The key used to associate the survey results with specific households' addresses will be kept confidential and will only be utilized to verify the accuracy of the income report by RCAC.

If you would like more information about the survey and how the information will be utilized to assist the residents of Westport CWD, please feel free to contact:
