**Public Notice**  
**Conserve Water Request Lifted**

Dear Customers,

January 8, 2026

We are now able to run the water plant as of today Thursday January 8<sup>th</sup>. The weather forecast is favorable for normal operations for the foreseeable future.

We are grateful to our customers for using water sparingly during the last 2 ½ weeks.

If you have any questions, please call John Morrill at 707-303-6677
