

**FOR IMMEDIATE RELEASE**

**TWO Great North Dakota Powerhouses Partner up in 2020**

**ND COUNTRY FEST 2020 PROUDLY ANNOUNCES THEIR NEW  
GAMING CASINO PARTNERSHIP WITH  
NDSU TEAM MAKERS CLUB**

New Salem, ND - The Dakota's largest and the Nation's fastest-growing Country Music and Camping Festival, ND Country Fest, announces the newfound partnership with **NDSU Team Makers Club** and the bringing in of the NDSU Team Makers **Gaming Casino** to the ND Country Fest 2020 Main Street Experience. Casino Games are available to those 21 and older.

**NDSU Team Makers Club** is a non-profit organization committed to raising scholarship money for North Dakota State student-athletes and assisting them in earning degrees for a successful future. By investing in **NDSU Team Makers Club**, you help extend opportunities to NDSU student-athletes so they may continue to excel in local, regional and national competition. Annual donations are tax-deductible and an excellent investment in young people because it allows NDSU student-athletes to compete successfully in the classroom as well as competition.

Now, you not only will get the Country Music Show of a lifetime, a camping experience second to none, and the already great experience of ND Country Fest's Main Street with activities and extended opening hours in 2020...NOW you will also be able to play Blackjack, Pull-Tabs, Electronic Pull-Tabs, and a Daily 50/50 throughout the weekend. The best part is that ALL will support the NDSU Bison Athletic Programs. A win, win, win!

ND Country Fest is extremely pleased to announce, as we lead the Nation and Country Music Festivals with something no other Country Music and Camping Festival in the Nation has, its very own on-site Gaming Casino. Every year ND Country Fest focuses on adding unique and creative activities to our valued patron's overall Festival experience...2020 will once again surprise and satisfy.

*"Being an NDSU athletic alum myself and a large supporter of NDSU Athletics, I am thunderstruck to be partnering with the NDSU Team Makers in building a festival experience second to none", said Luke Shafer, NDCF Founder. "Our focus is on providing the very best experience possible at a very affordable price for all our amazing patrons. We continually ask for their input and we listen. 2020 is going to be the best experience ever."*
