Position Summary: The Music Director serves to lead others to a deeper connection with Jesus Christ through worship and creative interaction. The ideal candidate will demonstrate competence leading/conducting choral and contemporary worship ensembles. Ability to effectively recruit volunteers, coordinate team schedules, and partner with other staff to plan and execute worship services is required.

Essential Functions:

Worship Planning and Implementation

- Plan and direct weekly worship services and musical programs in cooperation with pastor and other constituents that result in a deeper and more meaningful connection of the worshipper with Jesus Christ
- Availability to provide musical support for funerals and weddings when needed (notice given before scheduling)
- Serve as the primary contact for worship services, providing proactive, timely and effective communication
- Foster growing participation and support for worship programs in our community

Leadership & Recruiting

- Sustain practices which cultivate their own Christian faith and understanding
- Identify, empower, and train worship personnel (vocalists, instrumentalists, A/V team, ushers and greeters)
- Establish, sustain, and oversee efforts to include children and students in various worship services functions.

Administration

- Provide logistical and organizational support for worship programs to include the scheduling of personnel, leading rehearsals, procuring and maintaining equipment, and expense reporting
- Coach and motivate worship personnel, providing helpful and constructive feedback when appropriate
- In all responsibilities, work independently and proactively, with minimal oversight from the Pastor.
- Take initiative to solve problems and exercise good stewardship of church resources.

Other duties in support of the mission of the church, as assigned by the Pastor.

Preferred Qualifications:

- Active and mature faith in Jesus Christ; understanding and agreement of Wesleyan theology
- Verified vocal and/or instrumental ability in both traditional and contemporary worship styles
- Experience or willingness to learn the operation of audio/visual equipment to include audio mixers, cameras
- Ability to relate and lead persons and groups of various ages

TO APPLY: Send a resume with 2 professional & 2 personal references, & a recorded music sample to pastor@hhmc.church.
