

10/6/2024

Dear Parents and Guardians,

Students have an opportunity to serve alongside a couple hundred other youth in Texas during the Winter Mission Weekend, February 7-9, 2025. This weekend is coordinated through the Revive Movement that ran our camp this past summer. We will leave Friday afternoon once school is out to drive up to Irving, Texas and return Sunday afternoon by 3:30/4:00 pm.

The total cost for the Winter Mission Weekend is \$175/participant. We do not want the cost to be a deterrent for anyone. The church is committed to $\frac{1}{3}$ of the cost (\$59/participant) and the remaining $\frac{2}{3}$ (\$116) can be split between fundraising and parent contribution. If for any reason students need to fundraise the parent contribution of the mission trip we can make that happen.

We had a successful Flamingo Flocking fundraiser in September which generated a good portion of the cost to attend the Winter Mission. We have one additional fundraiser scheduled for November 3rd. It will be a Chili Lunch and Silent Auction after church. More details to come but all students should plan to join us for this fundraiser.

Attached you will find a registration card to reserve your student's spot. We currently have 10 spots reserved for our church. After Nov. 1st the cost does increase by \$25/participant if we add additional spots. Please help me to know how many spots we need as soon as possible by turning in registration cards. Once I receive the registration card I will email a link for you to register through the revive website. I have also included the sample schedule and packing list. Please feel free to contact me with any questions or concerns.

I believe this weekend will be a meaningful time for our students and I hope you will encourage them to attend. It will be a weekend full of worship, community, growth, and service to the Lord.

In Christ,

Megan Longley
