

JALAPEÑO ENTERTAINMENT TERMS AND COSTS
(Effective for contracts signed on or after January 1st, 2021)

CONGRATULATIONS!

Thank you for inquiring about our services. We will be happy to work with you on your upcoming event. Although we do a lot of weddings we also do other parties as well: corporate, birthdays, anniversaries, reunions or any kind of family parties. I have been spinning Music since 1986 and I currently DJ with 3 other DJs in Topeka, Lawrence, Kansas City so having the same quality and professionalism in more than one place is never a problem. Below are our rates; please note we normally do weddings for minimum of 4 hours at \$675

To give you an idea.....read below and please keep in mind cost includes set up, paid labor help, break down, and anything that will make your event happen without a problem. All events are by contract only. Ceremonies are not included in any weddings. If ceremony is off site at different location additional travel charges may apply. Also all military weddings must be the ones getting married, and either currently active or veterans.
