

YES to Kids Inc.

Yes to Kids is committed to making our community a better place.

We support organizations that offer children extracurricular activities that stimulate their mind, body, and soul. We believe that every child should have the opportunity to participate in extracurricular activities despite their financial situation.

That is why we will help provide financial assistance to underprivileged children who are or want to enroll in an organization that aligns with our Mission and are experiencing financial hardship. The total cost of each scholarship shall not exceed a total of \$500.00 per child per season.
