## FAQ, UPDATES, & ANNOUNCEMENTS PLACEHOLDER PAGE

This Page is where we will include changes, updates, and FAQs as required.

### TOURPLAY

We will be using Tourplay for Rosters and Match Submissions for this event.

<https://tourplay.net/en/blood-bowl/dorset-dungeon-bowl-3/registration>

Once you have bought your ticket - you can register and submit your team via the link above.

**Note: Registering on Tourplay does not guarantee you a place on the day; don't forget to purchase your ticket!**

Any concerns please get in contact with us via email or in our Discord!

### COLLEGE TEAMS ONLY

In the previous Dorset Dungeon Bowl events we have allowed standard (non-Dungeon Bowl) teams; however Tourplay does not support this currently.

**However;** we've only had a few coaches turn up with vanilla teams, so we're hoping this won't affect your enjoyment too much! And if you want to attend but don't have access to a Dungeon Bowl team - let us know in the Discord; we can absolutely help you out!!

### THREE BALL FORMAT

After feedback from our previous Dungeon Bowl events (and our own experience), this year we will be using the **Three Ball Format**.

In Dungeon Bowl there are 6 treasure chests; 3 of these will hold a ball instead of the regular 1.

We will be using our Dungeon Bowl Ball Tokens for the event so it's nice and straight forward.

**Scoring a Touchdown:** if a player scores a Touchdown; the ball and player are removed from the game. That player is placed into the Reserve box, and the ball is removed from the pitch.

This ends that player's activation, but does not end your turn, and yes you can teleport them back in from reserves if you haven't used the teleporter/magic sponge yet that turn.

The game will end at the end of the round (1h45) or if 3 Touchdowns are scored.

**Note:** the 0-1 limit on Hand-Off and Pass action per turn is still in effect... so choose wisely!

We have found this to be the best way to play Dungeon Bowl; it stops a quick score ending the game after 10 minutes, and allows a tonne more strategy to unfold!!

### BONEHEAD PODCAST TOURNAMENT SERIES

For tracking your Stats in the Bonehead Podcast Tournament Series - let us know which Region you'd like to report under for this Tournament.

**Note:** You can only select a Region (i.e. Badlands Brawl) if your College Team contains a player from a team that has that keyword.

Don't hesitate to check in with us if this doesn't make sense!!

## TOURNAMENT STRUCTURE

The **Dorset Dungeon Bowl 2024** will consist of 3 matches of **Dungeon Bowl**.

Coaches will be paired randomly for the first match, with matches 2 and 3 being paired in a swiss format (top teams vs top teams, bottom teams vs bottom teams), and we will endeavour to avoid duplicate matches where possible.

This is an **exhibition** format, and therefore all teams will start each match as rostered (no SPPs or Casualties are applied).

## TOURNAMENT SCHEDULE

- 9.30** Registration
- 10.00** Match 1
- 12.00** Lunch
- 12.45** Match 2
- 14.45** Match 3
- 16.45** Prizes & Awards

Matches will be held to a 1 hour 45 minute time limit, with Coaches being reminded at the 1 Hour Remaining, 30 Minutes Remaining, and 15 Minutes Remaining points. Once final time has been called coaches will be given up to 5 minutes to finish the turn currently being played and then the game must end.

Each pitch will be numbered so that when the Matches are announced at the start of each round the coaches are able to easily locate their opponent.

## TICKETS - LIMITED TO 50

Tickets for the event will be £12 per Coach, which goes towards the dungeon maps, prizes, and support from Entoyment.

Tickets can be purchased from our website:

If you have any problems purchasing a ticket from our website, please just get in contact with us by email:

## DUNGEON BOWL!?

This is a **Dungeon Bowl** Tournament - so we'll be using the rules from the Dungeon Bowl expansion.

We will be providing Dungeon Maps for the event. These dungeon maps are preset, and a different Map will be used each round.

These Dungeon Maps will be available for purchase on the day and on our website.

These maps can be constructed using the tiles from the Dungeon Bowl boxed game, but for ease and speed we have had them printed.

## MATCH SET-UP CHANGES

As the Dungeon Maps are set before hand and are designed to be symmetrical, all Set-Up processes are ignored with the exception below:

Coaches Roll-Off and alternate in placing Treasure Chests on each Treasure Chest spot highlighted on the Map - without looking at the underneath of the Treasure Chest token (We are providing Treasure Chest tokens to all tables)

Treasure Chest locations are highlighted on each of the Dungeon Maps. Teleporters are highlighted and numbered on each of the Dungeon Maps.

The maps are designed to give the most equal opportunity possible in a game of Dungeon Bowl.

Treasure Chest tokens will be provided for each table, and will have a Chest on one side, and either an explosion or ball on the other. It is important that these are not looked at until revealed during the game.

If there are concerns about Coaches seeing which Treasure Chest contains the ball - we will happily come over and redistribute them for you!

## NAF SANCTIONED TOURNAMENT

We intend this to be a NAF Sanctioned event, so would prefer all of the coaches attending to be registered with the NAF.

If you have any concerns or require support in registering with the NAF before the event please don't hesitate to get in touch with us.

For more information on the NAF please visit the website:
