## MARK YOUR CALENDAR

The annual **Florida Trust for Historic Preservation Conference** is being held on **May 13-14** at the Sanibel Harbor Resort. ESHP president Marya Repko will exhibit her local history books and talk about our heritage. For more info, see [www.floridatrust.org](http://www.floridatrust.org) and [www.ecity-publishing.com](http://www.ecity-publishing.com).

ESHP will have a booth at the **Everglades Independence Day** celebrations on **Saturday, July 3**, to hand out brochures and sell our Vallez cards & prints. We feel it is important to have a presence at local events, as well as making the many outside visitors aware of our unique history.

### *A Look Back at the Winter Season*

ESHP organized the following events in 2009-2010:

- November 20: talk about the history of the Fakahatchee
- January 8: talk about early movie-making in the Everglades
- January 23: Antique Air Aficionados at Everglades Airport
- March 6: trip to Outward Bound historic cemetery
- March 13: Everglades Homes Tour
- March 26: End-of-Season Social

We also took part in Art-in-the-Glades three times, Everglades Seafood Festival, and Chokoloskee ORA Bazaar.

### *And, A Look Forward*

We are compiling a calendar for the 2010-2011 season and hope to include popular events such as the Antique Air Aficionados Fly-In and the Homes Tour. A draft calendar is attached but, beware, dates could change. See our website for updates.

## LOCAL LINKS TO SANIBEL

The first permanent white settler in Everglades City discovered the area after he abandoned Sanibel. William Smith Allen left his castor bean farm on the island when it was inundated by salt water in the storm of 1868. On his return journey to Key West, where his brother was a prominent pharmacist, he turned his sailboat into the little river on Chokoloskee Bay called Potato Creek. There he found John Weeks growing a lush crop of bananas and sugar cane. After refreshing his supplies, he continued to Key West but came back in 1870, took over from John Weeks who moved, and settled on the banks of what was thereafter known as Allen's River. He built a large house, now the famous Rod & Gun Club, and grew vegetables for market. In 1889 he sold out to the Storter family and retired.

A much later link is Sea Gull Studios operated in Everglades City by Virginia Klotz. She and her parents, both artists, built a gift shop on West Gulf Drive in Sanibel but decided after the causeway that the island was too crowded. They moved to rural ECity in 1969 where her mother lived to be 104 years old. Ms Klotz is planning to retire at the early age of 88 and will regrettably leave the area to stay with family on the east coast.

## UPDATE ON PROJECTS

## BULA MISSION

We are working with the County to stay the demolition order and determine if the building can be saved. After a brief investigation, it looks like some of the pecky cypress under the external cladding might be sound.

## BANK BUILDING

We are still looking for a buyer who would like to restore this 1927 building in Everglades City. After the bank closed in 1962, it was used as a boarding house and offices. It later became a B&B with "breakfast in the vault".

During the quiet summer months, we intend to redesign our website [www.evergladeshistorical.org](http://www.evergladeshistorical.org). If you have any ideas, please leave a message at [eshp@hotmail.com](mailto:eshp@hotmail.com).

## Be Prepared!

The Boy Scout movement was founded in England in 1907 by Lord Baden-Powell, a hero during the Boer War in South Africa. Scouting was brought to America in 1910 by Chicago newspaper publisher and forward-thinker W. D. Boyce.

Barron Collier was introduced to the movement in New York City soon after that and became a tireless promoter and contributor. In 1932 Collier earned one of the highest honors bestowed by the Boy Scouts of America, the prestigious "Silver Buffalo" award, for his active support.

An exhibit about Collier and the Boy Scouts is being held at the Collier County Museum in Naples from May 3 to July 31. The Museum (in government center at US-41 and Airport-Pulling Road) is open from 9:00 a.m. to 5:00 p.m. on Monday through Friday and from 9:00 a.m. to 4:00 p.m. on Saturday. Admission is free.
