## VIVA FLORIDA 500

Ponce de León landed on the east coast of Florida in 1513 and returned in 1521 to the west coast where he had a fatal encounter with the Calusa. He had been on Columbus' second voyage in 1493 and became a provincial governor of Hispanola before settling in Puerto Rico.

The year 2013 is being celebrated as the state's 500<sup>th</sup> Anniversary with various heritage trail publications and events. For info, see [www.fla500.com](http://www.fla500.com) or [www.historyflorida500.org](http://www.historyflorida500.org).

## BOOK REVIEW

by Marya Repko

*Everglades Patrol* by Tom Shirley is a real-life account of the author's career as a wildlife law enforcement officer in the greater Everglades. Some of his stories sound much like the hero of the TV movie series we are showing (*see right column*). He used airboats to chase poachers and encountered drug smugglers in small airplanes. He loves the Glades and bemoans the changes that have taken place as flood control emptied it of water and development continues to take place on its fringes.

## Movie Nights

We are again showing films with an historical connection this winter at 5:30 p.m. on Friday evening in the Jinkins Fellowship Hall of Everglades Community Church. The schedule is:

Jan 11 – "The Everglades", 2 episodes

Feb 15 – "Distant Drums"

Mar 15 – "The Everglades", 2 episodes

"The Everglades" is a 1960s TV series starring Ron Hayes as Lincoln Vail, a law enforcement officer who patrols this area. The series ran for 38 episodes and we have selected a few that have good plots as well as local scenery.

"Distant Drums" is a full-length (1 hour, 40 minutes) production made in 1951 starring Gary Cooper about the Seminole Wars in the mid-1800s. Some of the scenes were shot in the Everglades.

Movie Night is free and open to the public. There will be popcorn and soft drinks to get you in the mood. For info, call 695-2905.

## FAKAHATCHEE COASTAL CRUISES

The Friends of Fakahatchee are hosting a series of boat tours to Fakahatchee island which was settled in the 1890s and even had a school to teach the resident children. Pioneers farmed and fished until the Tamiami Trail was completed when most people found living on the mainland easier.

The Coastal Cruise meanders through the 10,000 Islands, often attracting dolphins to play in the wake of the boat, before landing on Fakahatchee Island where a naturalist leads the group up the shell mound to the ancient cemetery, pointing out rare plants on the way. During the return voyage, the boat passes a rookery where the birds are settling down for the night.

The tours meet at 3:00 p.m. at the Gulf Coast Ranger Station at Everglades National Park on January 13, February 15, February 15, March 2, March 13, and March 30.

Reservations are required. To book your places at \$75 each, see [www.orchidswamp.org](http://www.orchidswamp.org) (click on Events) where you can download a form to send in with a check or pay online with a credit/debit card. For info, phone Pam at (239) 695-1023.

## News from the Historical Library

You can see a complete catalog of the books in the library on our website. We also have magazines and numerous clippings & pictures which may be copied but not taken away.

The next time you have a clean-up, don't throw out old newspapers or photos – they may be of historical interest. If you would like to give them to the Historical Library in City Hall, where they are safe from storms, phone (239) 695-2905.
