NOW, THEREFORE, the Kelseyville Fire Protection District Board of Trustees hereby finds, determines, and resolves as follows:

Section 1. Recitals. The above recitals are all true and correct.

Section 2. Initiation of Proceedings. These proceedings are initiated by the Board pursuant to the authorization of Section 53318 of the Act.

Section 3. Boundaries of CFD No. 2021-1; Approval of Boundary Map. It is the intention of the Board to establish the CFD No. 2021-1 pursuant to the provisions of the Act, and to determine the boundaries and parcels on which special taxes may be levied to finance the Authorized Facilities and the Authorized Services (as each are defined in Section 5 below). A description of the boundaries of the territory proposed for inclusion in the CFD No. 2021-1 including properties and parcels of land proposed to be subject to the levy of the special tax by the CFD No. 2021-1 is as follows:

All that property as shown on the Boundary Map attached hereto as Exhibit A and approved herewith, such map designated as "Proposed Boundaries of Kelseyville Fire Protection District Community Facilities District No. 2021-1 (Facilities and Services), Kelseyville Fire Protection District, Lake County, State of California," a copy of which is on file in the Office of the Board Clerk and shall remain open for public inspection.

The Board hereby approves and adopts the Boundary Map currently on file with the Board Clerk and attached hereto as Exhibit A. Section 4. Name of the Community Facilities District. The name of the community facilities district proposed to be established shall be known and designated as "Kelseyville Fire Protection District Community Facilities District No. 2021-1 (Facilities and Services)."

Section 5. Description of Facilities and Services; Incidental Expenses. It is the intention of the Board to finance authorized facilities and services related to equipping and maintaining fire stations within the boundaries of the Fire Protection District.

A general description of the public facilities (the "Authorized Facilities") and public services (the "Authorized Services") which are proposed to be financed with the revenues from special taxes, whether provided directly by the Fire Protection District or by a third party contracting with the Fire Protection District or CFD No. 2021-1, is set forth in Exhibit B attached hereto and incorporated herein by this reference. The financing of the costs of the Authorized Facilities may include, without limitation, the payment of principal of and interest on bonds or other indebtedness together with all direct, indirect, periodic, and/or other related costs (including, without limitation, costs of administering CFD No. 2021-1, levying the special tax and administering the bonds, and establishing and replenishing reserve funds).

Section 6. Special Tax. It is hereby further proposed that, except where funds are otherwise available, a special tax (the "Special Tax") sufficient to finance the Authorized Facilities, Authorized Services and related incidental expenses, secured by recordation of a continuing lien against all nonexempt real property in CFD No. 2021-1, will be levied annually within the boundaries of such CFD No. 2021-1. For further particulars as to the rate and method of apportionment of the proposed Special Tax, reference is made to the attached and incorporated Exhibit C (the "Rate and Method"), which sets forth in sufficient detail the rate and method of apportionment of the Special Tax to allow each landowner or resident within the proposed CFD No. 2021-1 to clearly estimate the maximum amount of Special Tax that such person will have to pay for the Authorized Facilities and Authorized Services.

The maximum amount of Special Tax which may be levied in any fiscal year on parcels within CFD No. 2021-1 which are used for private residential purposes ("Residential Parcels") is specified in the Rate and Method. No portion of the Special Tax shall be levied on Residential Parcels to finance Authorized Facilities after fiscal year 2057-58, or upon an earlier determination as set forth in the Rate and Method. The portion of the Special Tax levied to finance Authorized Services shall be levied as long as the Fire Protection District provides the Authorized Services. Under no circumstances will the portion of the Special Tax levied on Residential Parcels in any fiscal year for Authorized Facilities be increased as a consequence of delinquency or default by the owner of any other parcel or parcels within CFD No. 2021-1 by more than 10 percent (10%) above the amount that would have been levied in that fiscal year had there never been any such delinquencies or defaults.

A portion of the Special Tax may be prepaid and permanently satisfied in part pursuant to the provisions contained in the Rate and Method.

The Special Tax herein authorized, to the extent possible, shall be collected in the same manner as ad valorem property taxes or in such other manner as the Board or its designee shall determine, including direct billing of the affected property owners. Such Special Tax shall be subject to the same penalties, procedure, sale and lien priority in any case of delinquency as applicable for *ad valorem* taxes. Any Special Tax that may not be collected on the County tax roll shall be collected through a direct billing procedure by the Fire Protection District, acting for and on behalf of CFD No. 2021-1.

Pursuant to Government Code Section 53340 and except as provided in Government Code Section 53317.3, properties of entities of the state, federal, and local governments shall be exempt from the levy of the Special Tax.

Upon recordation of a notice of special tax lien pursuant to Section 3114.5 of the California Streets and Highways Code, a continuing lien to secure each levy of the Special Tax shall attach to all nonexempt property in CFD No. 2021-1, and that lien shall continue in force and effect until the lien is cancelled in accordance with law or until collection of the Special Tax ceases.

Such report shall be made a part of the record of the public hearing to be held pursuant to Section 7 hereof.

Section 11. Advances of Funds or Work In Kind. At any time either before or after the formation of the CFD No. 2021-1, the Board may accept advances of funds or work-in-kind from any source, including, but not limited to, private persons or private entities and may provide, by resolution, for the use of those funds or that work-in-kind for any authorized purpose, including, but not limited to, paying any cost incurred by the Fire Protection District in creating the CFD No. 2021-1. On each July 1, commencing on July 1, 2023, the Maximum Special Tax for Taxable Contingent Property shall be increased by an amount equal to two percent (2%) of the amount in effect for the previous Fiscal Year.

AFTER THE TRANSITION EVENT

The Maximum Special Tax for each Assessor's Parcel that may be levied in any Fiscal Year after the Transition Event is determined as, an amount equal to 100% of the Maximum Special Tax in the Fiscal Year prior to the Transition Year.

On each July 1 after the Transition Event, the Maximum Special Tax for Taxable Property and the Maximum Special Tax for Taxable Contingent Property shall be increased by an amount equal to two percent (2%) of the amount in effect for the previous Fiscal Year.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAXES

Commencing with Fiscal Year 2022/23 and for each following Fiscal Year, the CFD Administrator shall determine the Special Tax Requirement, and shall levy the Special Tax until the amount of the Special Tax equals the Special Tax Requirement. The Special Tax shall be levied each Fiscal Year as follows:

First: The Special Tax shall be levied Proportionately on each Assessor's Parcel of Taxable Property at a rate up to 100% of the applicable Maximum Special Tax for Taxable Property to satisfy the Special Tax Requirement.

Second: If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on all Taxable Contingent Property at a rate up to 100% of the Maximum Special Tax for Taxable Contingent Property.

E. EXEMPTIONS

No Special Tax shall be levied on Public Property, Property Owner Association Property, or Welfare Exempt Property or any other property which would not normally receive a property tax bill from the County due to the very-low or zero assessed value of such property. However, should an Assessor's Parcel no longer be classified as Public Property, Property Owner Association Property, or Welfare Exempt Property or any other property which would not normally receive a property tax bill from the County due to the very-low or zero assessed value of such property, its tax-exempt status will be revoked. In the case of Public Property and pursuant to Section 53317.3 of the Act, if property not otherwise exempt from the Special Tax levied pursuant to this chapter is acquired by a public entity through a negotiated transaction, or by gift or devise, the special tax shall, notwithstanding Section 53340, continue to be levied on the property acquired and shall be enforceable against the public entity that acquired the property.

Taxable Contingent Property shall be subject to the levy of the Special Tax, assigned to a Property Type in accordance with the use of the property, and shall be taxed Proportionately as part of the second step in Section D above, at up to 100% of the applicable Maximum Special Tax.

F. APPEALS

Any property owner may file a written appeal of the Special Taxes with the CFD Administrator claiming that the amount or application of the Special Taxes is not correct. The appeal must be filed not later than

one calendar year after having paid the Special Taxes that are disputed, and the appellant must be current in all payments of Special Taxes. In addition, during the term of the appeal process, all Special Taxes levied must be paid on or before the payment date established when the levy was made.

The appeal must specify the reasons why the appellant claims the Special Taxes are in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination.

If the property owner disagrees with the CFD Administrator's decision relative to the appeal, the owner may then file a written appeal with the Board of Directors whose subsequent decision shall be final and binding on all interested parties. If the decision of the CFD Administrator or subsequent decision by the Board of Directors requires the Special Taxes to be modified or changed in favor of the property owner, the CFD Administrator shall determine if sufficient Special Tax revenue is available to make a cash refund. If a cash refund cannot be made, then an adjustment shall be made to credit future Special Taxes.

This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to filing any legal action by such owner.

G. INTERPRETATIONS

The Board of Directors may, by resolution or ordinance, interpret, clarify and/or revise this Rate and Method of Apportionment to correct any inconsistency, vagueness, or ambiguity as it relates to the Special Taxes, method of apportionment, classification of Assessor's Parcels, or any definition used herein, as long as such correction does not materially affect the levy and collection of Special Taxes. In addition, the interpretation and application of any section of this document shall be at the District's discretion.

H. MANNER OF COLLECTION

The Special Taxes shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that the CFD Administrator may, at the sole discretion of the District, directly bill the Special Tax, may collect the Special Tax at a different time or in a different manner as necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on Assessor's Parcels of Taxable Property that are delinquent in the payment of the Special Tax.

I. PREPAYMENT OF SPECIAL TAX

The Special Tax may not be prepaid.

J. TERM

The Special Tax shall be levied and collected, as needed to fund the Special Tax Requirement, in perpetuity. However, no portion of the Special Tax shall be levied for Authorized Facilities after Fiscal Year 2057/58, which shall be the last Fiscal Year in which the Transition Event may occur: provided, however, that a Special Tax that was lawfully levied for Authorized Facilities in or before Fiscal Year 2057/58 and that remains delinquent may be collected in subsequent years.
