

RÖSE

BIOGRAPHY

English

Founder of the "Alwarda Records" label and co-founder of the "Vlast" event association, Rose has been touring France's top clubs for over two years.

She got her start in Germany and Italy, and is now making a name for herself on the Swiss techno scene. She doesn't like to define herself in any particular style, as her musical palette is wide and varied: you'll find mainly Hardtechno, Tekno and Psytrance.

Röse has recently broadened her palette even further by playing groovy stuff. The most important thing for her is to pass on her love and energy so that you come away from her sets with stars in your eyes and hearts full of emotions.

Français

Fondatrice du label « Alwarda Records » et co-fondatrice de l'association d'événement « Vlast », Röse parcourt depuis plus de deux ans les plus grands clubs de France.

Elle a fait ses débuts en Allemagne et en Italie et s'impose dans la scène techno suisse. Elle n'aime pas se définir dans un style en particulier car sa palette musicale est large et variée : On y trouve principalement de la Hardtechno, de la Tekno et de la Psytrance.

Röse élargit encore sa palette depuis peu en jouant de la techno groovy. Le plus important pour elle est de vous transmettre son amour et son énergie et que vous sortiez de ses sets des étoiles pleins les yeux et le cœur remplis d'émotions.
