

INTRODUCING

# GOLDEN SANKOFA

Holding spaces and conversations between organisations and communities; to centre the lived experience and the resident voice in services, policies and ways of working.

We bring glimmers of Magic, Gentleness and Kindness to everything we do  
We bring Joy and Connection  
We centre Collective Healing and Peace  
We centre a Gentle Justice praxis  
This is a lifestyle and life journey for us & the people and communities we work with
