PUBLIC NOTICE

EVERY DAY, NEBRASKA EXAMINER journalists work tirelessly to hold government officials to account and report on how state policies affect Nebraskans – and there could hardly be a time when such journalism is more crucial. Guiding our newsroom is a simple command: Dogged. Principled. Dedicated to Nebraska news. Nebraskans want accountability from their elected officials and government. They want to know whether their tax dollars are being well-spent, whether state agencies and local governments are responsive to the people and whether officials, programs and policies are working for the common good. The Nebraska Examiner is a nonprofit, independent news source committed to providing news, scoops and reports important to our state..... 10ctf

Tips on How to Write A Classified Ad That Sells

1. Use a KEYWORD. This immediately tells the reader exactly what it is you have to sell.
2. Make your description CLEAR and FACTUAL. State the year, make, model, color, size and tell what condition the item is in. Also state the special features.
3. State the PRICE. Successful classified advertisers have learned that the price in an ad helps increase the chances for results.

4. If there's a genuine sense of URGENCY, so say. The words, "We're Moving" or "Must Sell Fast" suggest that readers respond immediately.

5. Include your PHONE NUMBER. Classifieds get results fast and often generate immediate sales. If you cannot be available to answer the phone at all times, be sure to specify special calling times such as "after 6 p.m." or "before 11 a.m."

SERIOUS FLEXIBILITY.

The VR1428 and VR2040 high-capacity wheel rakes from Vermeer are built tough to handle heavy crops in less time - with fewer maintenance issues. A unique center splitter attachment lets you cover the entire swath - up to 40' (12.19m) wide. Plus, hydraulic suspension on each wheel and a select frame design provide superior flexibility in the field. Flex some serious muscle this haying season.

DURABILITY REDEFINED.

Introducing Vermeer N-series balers - the newest models in the flag ship line from the company that started it all. Heavy-duty components provide superior strength and durability. Smart features like the available automatic pickup clutch and auto lube system further extend machine life. Plus, they're backed by the best distribution network in the industry. Vermeer 604N/605N balers are here to stay.

Creighton's BerryPepper Days

What is a Berry Pepper? The Berry Pepper is a "frozen concoction" that combines the taste of strawberry with Dr. Pepper soda to create a delicious summertime snack. Originally created in 1968 by then swimming pool manager Biff Warren, the Berry Pepper has since been a favorite snack for visitors to the pool. Berry Peppers are available at the pool throughout the summer and at Husker C-Mart, 59 Express & Gragert's Grocery during the annual BerryPepper Days Celebration.
