**West Nile Virus Found in Mosquitoes in Holt County**

The North Central District Health Department (NCDHD) is alerting the public that mosquitoes collected near O’Neill in Holt County have tested positive for West Nile Virus. This summer, positive mosquito samples have also been found in Dakota, Red Willow, and Scottsbluff counties in Nebraska.

Finding infected mosquitoes means the virus is present in the area and people could be at risk of being bitten by mosquitoes that carry it.

Protect yourself from mosquito bites:

- Avoid being outside during dusk and dawn—this is when mosquitoes are most active.
- If you need to be outdoors, wear long sleeves and pants.
- Use mosquito repellent that’s approved by the EPA, such as those containing DEET, picaridin, oil of lemon eucalyptus, or IR3535.
- Dump out standing water around your home where mosquitoes can breed—like in buckets, flowerpots, or old tires.

West Nile Virus is spread through mosquito bites. Most people who are infected (8 out of 10) will not have any symptoms. Those who do become sick might feel like they have the flu—with fever, headache, body aches, nausea, or vomiting. People with weakened immune systems are at greater risk for serious illness.

To learn more and see where West Nile activity has been reported, visit the Nebraska mosquito tracking dashboard available [here](#).

NCDHD serves Antelope, Boyd, Brown, Cherry, Holt, Keya Paha, Knox, Pierce, and Rock Counties.

2025 HOLT CO. FAIR  
MARKET LIVESTOCK  
BONUS AUCTION

FRIDAY AUGUST 8<sup>TH</sup> @ 4:30 P.M.  
HOLT CO. FAIR GROUNDS IN CHAMBERS, NE.

**PURPOSE:** The bonus auction gives 4-H/FFA exhibitors an opportunity to showcase their projects one more time as they receive a bonus for all of their hard work. Livestock projects require a large investment of both time and capital. The bonus auction helps ensure these youth will return in future years. It also provides an opportunity for businesses to meet and support our youth and the Holt County 4-H/FFA programs. Above all, it is an honor for the exhibitors to participate in the bonus auction.  
**BUSINESS BENEFITS:** All buyers will have their names and pictures published in the O'Neill Shopper which gives public recognition of their support of the 4-H and FFA programs. Youth exhibitors will also present buyers with appreciation gifts at the auction and will later deliver framed photos to their buyers to be displayed at their businesses.  
**HOW IT WORKS:** The sale will be a live sale format. The auction is a premium auction only. Animals will not transfer ownership. Sale order will be determined by ribbon placing. The 4-H or FFA member will receive 100% of the funds. At the conclusion of the sale, we ask that you meet up with the exhibitor(s) you purchased to take a picture and receive your gift.  
**AUCTION MEAL:** A free will donation BBQ meal will be held at the conclusion of the sale. Please plan to stay and enjoy!

The Auction Committee would like to thank everyone  
for their past patronage of the Market Bonus Auction!
