EVERY DAY, NEBRASKA EXAMINER journalists work tirelessly to hold government officials to account and report on how state policies affect Nebraskans – and there could hardly be a time when such journalism is more crucial. Guiding our newsroom is a simple command: Dogged. Principled. Dedicated to Nebraska news. Nebraskans want accountability from their elected officials and government. They want to know whether their tax dollars are being well-spent, whether state agencies and local governments are responsive to the people and whether officials, programs and policies are working for the common good. The Nebraska Examiner is a nonprofit, independent news source committed to providing news, scoops and reports important to our state.....10ctf
