

TRUE WEIGHT SOLUTIONS

At Norfolk Pain Solutions and Finish Line Chiropractic & Acupuncture, we provide True Weight Solutions, a program designed to help you lose up to 20 - 40 lbs in just 60 days.

It may be hard to believe, but many True Weight Solutions Program™ patients lose 20-40 pounds of Pure Fat in as little as 60 days. The True Weight Solutions Program™ doesn't discriminate if you're male or female, young or old. We have tested this doctor formulated program on thousands of patients. We have found that as long as you follow the program, you will definitely lose weight without the need for excessive exercise, eating expensive prepackaged foods, or feeling hungry.

RED LIGHT THERAPY

At Norfolk Pain Solutions in Norfolk, NE, we provide red light therapy, also known as low-level laser therapy or photobiomodulation, which involves exposing the body to low levels of red or near infrared light. While research is still ongoing, red light therapy has the potential to increase blood flow, reduce inflammation, increase levels of collagen, and increase production of fibroblasts.

Be Alert:

Be aware of your surroundings and how others are acting. Stay away from those who are out of control and might cause harm. Taking preventive measures is key. If someone is really intoxicated, prevent them from trying to drive or leaving with someone they do not know. It's important to keep an eye out for each other.

Be A Cautious, Yet Defensive Driver:

Even if you're not drinking at your New Year celebration, you need to be extra aware of what's going on around you when you drive. If you spot someone whom you suspect of driving under the influence, call the police and give them the license plate number. You might save multiple lives by being proactive and thinking of the safety of yourself and others.

Monitor your Alcohol Intake:

A majority of people will be drinking on New Years Eve, and there is nothing wrong with that. Just be sure to pay attention to how much you and others are consuming. Drinking too much alcohol can have lethal affects.

Stick Together:

This way we can look out for our friends and family. Going out to parties and nightclubs means a fast-paced, crazy night; so be sure to travel in groups. Having a safety net around you in this environment, especially for women, is imperative.

With the festivities in full force around you, traveling with someone else will ensure you are never by yourself at any time. EVERY DAY, NEBRASKA EXAMINER journalists work tirelessly to hold government officials to account and report on how state policies affect Nebraskans – and there could hardly be a time when such journalism is more crucial. Guiding our newsroom is a simple command: Dogged. Principled. Dedicated to Nebraska news. Nebraskans want accountability from their elected officials and government. They want to know whether their tax dollars are being well-spent, whether state agencies and local governments are responsive to the people and whether officials, programs and policies are working for the common good. The Nebraska Examiner is a nonprofit, independent news source committed to providing news, scoops and reports important to our state..... 10ctf

Free Farm & Ranch Succession Workshops Offered

Nebraska farm and ranch families are invited to attend a free educational workshop focused on succession and estate planning. Hosted by the Nebraska Rural Response Hotline in collaboration with the Nebraska Department of Agriculture's Beginning Farmer Tax Credit and Negotiations Programs, Nebraska Extension and the Nebraska Farmers Union Foundation, these workshops are designed to help producers prepare for the future of their operations.

The Farm & Ranch Succession Workshops will take place:

- Mullen: Jan. 5th from 11am-3pm MT at the Methodist Church (304 N Veteran Ave). Meal sponsored by Dayspring Bank.
- Valentine: Jan. 6th from 10am-2pm at Mid-Plains Community College (715 US-20 E). Meal sponsored by Security First Bank.

- Ainsworth: Jan 6th from 5-9pm at the Ainsworth Church of the Nazarene. Meal sponsored by Tri-County Bank.
- O'Neill: Jan 7th from 9am-1pm at Holt County Courthouse Annex (204 N 4th St.). Meal sponsored by Farm Credit Services of America.

Speakers include Weston Svoboda and Jessica Groskopf. These workshops will cover:

- Estate and succession planning: key considerations, decisions and available tools
- Transfer, death and tax implications including portability
- The use of LLCs in succession planning: buy-sell agreements and asset protection
- Options, lease rights and preemptive rights
- Finance and management issues in succession strategies

"These workshops are intended to help farm and ranch families start, continue or refine their succession and estate plans," said Jessica Groskopf. "Planning for the future ensures a smooth transition to the next generation and protects the legacy of Nebraska's agricultural producers."

While the workshop is free, we kindly ask that you register ahead of time to help us prepare meals and materials. To register or for more information, please contact the Nebraska Rural Response Hotline at 1-800-464-0258.

This event is based upon work supported by the U.S. Department of Agriculture, under agreement number FSA22CPT0012189.
