# St. Armands Circle

Experience a seamless blend of historic charm and casual luxury at St Armands Circle. Just steps from Lido beach, we offer an array of unique boutiques, shops, and dining options.

Opened to the public in 1926, St. Armands Key was the vision of circus magnate John Ringling, who purchased the island in 1917. He designed a luxury development including residences and businesses laid out along palm tree-lined streets radiating from a central park.

Much has changed, but Ringlings' influence is evident today in the lush greenery, tropical landscape, and Italian statuary.

Whether you're seeking a leisurely day or a special occasion, St Armands Circle provides an unforgettable experience for visitors worldwide.

We welcome you to St. Armands Circle.
