DEVELOPMENT.

# Hi. We Are Power.

We install solar power equipment

Energy systems management for sustainable community development.

## Stop wasting money on utility bills

# Just how big is this opportunity?

In 2023, an

# We will win the race

Leveraging a platform economy to provide the best possible solution in the solar industry.

### **BETTER FOR HOME** OWNERS. **BETTER FOR BUSINESS OWNERS.**

- Transparent cost of goods model
- Fully **customized** solutions
- **Leading** equipment & financing partners
- **Buying power** = value
- \$500TT Ambassador referral program

#### **Independent Sellers**

Certified, trained solar experts

#### Homeowners

Access affordable & custom solutions

#### Top local & r installers

#### **Product Partners**

High quality panels, inverters, batteries, financing & more

We will win the race

Soar Panels, Combiner Box, Inverter, Batteries, Racking, Cables, Accessories

Can you design your own solar system

How do you calculate and design a sola system
