

**United World Colleges Spring Virtual Visit Day
March 24, 2021
Terms and Conditions**

Virtual Events Include: Landing page for the event, pre-event video playlist of welcome videos sent to students from each school (listed below), potential to do a short general session on requested topics from UWC counselors, link to your own institutional Zoom room to meet with prospective students after introductions and general sessions to do a presentation or live video chat with students interested in your room. Additionally, the breakout room will be used for one-on-one video interviews with students wishing to take advantage of that option. Reps will receive post-event reports of attendee information.
