

ON-SITE SEWAGE SYSTEM HOMEOWNER EDUCATION COURSE

Saturday, October 5
10:00 a.m. to 12:00 p.m.
Village Hall
1680 Jimmy Phillips Blvd.
Angleton, TX 77515

Registration required. Space
limited to 50 participants.

This course is designed to instruct and educate homeowners on the basics of septic system and on-site sewage facility (OSSF) maintenance and visual inspection.

Participants will receive:

- An overview of the two types of systems
- Information on system maintenance and inspection
- Details on available resources to maintain, repair and replace aging systems

****Please note this course does not provide for or allow homeowners to inspect their own aerobic system in place of a maintenance contract.*

Spaces are limited. Please Contact Cheryl McBeth with Bailey's Prairie to reserve your spot at (832) 880-3367 or cherylmcbeth@gmail.com

***Two other On-Site Sewage System Homeowner Education Courses will be offered through Brazosport College's Continuing Education program in Lake Jackson on Thursday, September 26, from 6 p.m. to 8 p.m. or Saturday, October 12, from 9 a.m. to 11 a.m.*
