-  520.00 per person twin share 
-  620.00 sole occupancy 
-  2-day tour

Tour Highlights

			
Floriade	Nightfest	National Arboretum	Tulip Top Gardens

Day 1, Thursday 2 October

Home to Canberra, Floriade and Nightfest

Welcome to our 2-day **Canberra Floriade** Tour. Leaving the South Coast, we travel up to Canberra and arrive at **Commonwealth Park** for the annual **Floriade Festival**. We spend the remainder of the morning here and take time at leisure to look through the gardens and purchase lunch. At a designated time, we check into our hotel and freshen up before dinner. When the sun goes down, we head back to Floriade to dabble in the dark side when **Nightfest** comes to life. Experience a special night as Nightfest is illuminated, lighting up the night. Featuring live music, interactive displays and activities, we have time at leisure to explore all the after dark magic.

Meals: Lunch at own expense | Dinner at the hotel

Day 2, Friday 3 October

National Arboretum, Tulip Top Gardens, Canberra to Home

This morning, we take a drive to the **National Arboretum Canberra** to visit the **National Bonsai** and **Penjing Collection** of Australia. Many of the trees are owned by the Collection whilst others on loan from around Australia by the artists or their family. This allows for continued involvement with the community and enables for a dynamic and diverse collection that is always changing and providing new experiences for visitors. From here we make our way to the **Tulip Top Gardens**, where acres of stunning world class gardens bloom, to life. Hundreds of blossom trees nestle between the flowers and provide a magic pathway to the cascading waterfall and watercourse with classical music wafting through the air in the hidden valley. We enjoy lunch here before continuing home from a fantastic tour.

Meals: Breakfast at the hotel | Lunch at own expense

All itineraries are subject to change due to occasional restrictions in opening times/days of some attractions, e.g. churches, wineries etc. We cannot be held responsible for any changes due to closures, inclement weather etc
