

This morning, we set off on an epic journey of swashbuckling and skullduggery as we make our way to Canberra Theatre for **'Pirates of Penzance'**

This boisterously joyful adaptation of the Gilbert & Sullivan's classic is brought to life by just four bold performers, including Jay Laga'aia and Brittanie Shipway. The Hayes Theatre Co harness the irreverent, genre-busting spirit of a sprawling, satirical, musical masterwork, and bring it to raucous new life for a 21st-century audience.

We will stop along the way to enjoy morning tea before continuing our journey to Canberra. On arrival you will have time to purchase some lunch (own expense) prior to the commencement of the show.

Following the show, we reboard the coach and commence our journey home.
