# **Shows Tourists Posing With 9/11 Memorial**

A TikTok video showing people posing for pictures at the 9/11 Memorial in New York City has gone viral and people are angry. One of the people in the video sat on top of the memorial and smiled for a picture.

The video, posted by @backpackflipflops, has amassed more than 1.6 million views and 1,800 comments since it was posted late last month.
