**Michael J. Carpanzano, MBA** was first elected to a four-year term as a Village of Bolingbrook Trustee in April of 2019. He was subsequently re-elected in 2023 to an additional four-year term on the Village Board. Trustee Carpanzano is Chair of the Village's Finance Committee and also serves on the Public Services Committee. Professionally, since 2014 Carpanzano has worked for PT Solutions Physical Therapy and is currently the Director of Hospital Relations where he oversees the business development, partner and customer success, and community development initiatives for multiple healthcare markets across the country.

He excels in building brand recognition and awareness throughout the community by his involvement with educational institutions, governmental entities, park and recreation districts, not-for-profit organizations, local chamber of commerce groups, and many youth sport teams and clubs. He also has a strong desire for communicating to residents, so much so that he volunteers his time to maintain the Bolingbrook Events website, Facebook Page, and several local pro-business and pro-community social media channels.

Carpanzano gained his strong community relationships through his previous position as Executive Director of the Bolingbrook Area Chamber of Commerce. For nearly two years, he held the chambers top spot focusing on economic and community development. Carpanzano regularly helped his 600+ business members to succeed and grow their businesses by offering specific programs and events directed at increasing awareness of local small and home-based businesses, as well as large corporations.

Before taking his role with the Chamber, Carpanzano was Assistant Vice President, Banking Center Manager for MB Financial Bank where he was responsible for market expansion and market penetration. He managed a sales team responsible for offering deposit, treasury management, and lending products to both consumer and business customers. He was quickly promoted to positions of increasing responsibility, achieving seven promotions in his seven years with the company.

While climbing the corporate ladder, he simultaneously attended University of St. Francis in Joliet, Ill. where he was awarded his Bachelor of Arts degree in business administration in May 2008, with a management major and economics minor. In December 2012, while maintaining a 4.0 GPA, he earned his Master's Degree in business administration (MBA) also from the University of St. Francis.

Carpanzano spends his leisure time supporting many non-profit organizations in both executive, as well as volunteer committee member roles. He serves on the Board of Directors for Heart Haven OutReach (H2O), an organization dedicated to mentoring middle and high school age youth through support groups, character and life skills education, service opportunities, and recreation. He previously served, for over a decade, as President of the Board for Midwest Christian Montessori Academy in Bolingbrook. He was also previously the Treasurer of the Board of Crime Stoppers of Bolingbrook and also served as the Live360 Community Ambassador for The Promenade Bolingbrook. Carpanzano is a Past President of the Kiwanis Club of Bolingbrook and Romeoville. He has also served as chair of the local Young Professionals Association. In order to demonstrate his passion of giving back and mentoring the next generation of business leaders, he has sat on several marketing and strategic advisory boards such as those hosted by the United Way of Will County and Rasmussen College's School of Business.

Additionally, he has held volunteer and leadership roles with The Community Foundation of Will County, March of Dimes, P.O.W.E.R. Connection, Rainbow Council - Boy Scouts of America, Camp Fire Illinois Prairie, Teen Parent Connection, Illinois Aviation Museum, American Cancer Society, and DuPage County Area Project (DuCAP). You will often find Carpanzano on the stage engaging large crowds at community events or raising money at non-profit events as a locally renowned professional emcee - Master of Ceremonies.

Because of his commitment to the profession, giving spirit, and service to the community, Carpanzano has received numerous accolades including the "Liz Campbell Community Servant Award", F.O.C.U.O.S., May 2024; a Chicago Leaders of Impact Nomination, American Heart Association, October 2024; the prestigious "UNSTOPPABLE" Award, PT Solutions, October 2015; "Chicagoland's Best Under 40", My Suburban Life, September 2014; "Presidents Award for Outstanding Community Service", Bolingbrook Area Chamber of Commerce, March 2012; "Kiwanian of the Year", Kiwanis Club of Bolingbrook & Romeoville, October 2012; "Community Service Award", Lemont Girl Scouts, June 2012; and "Character Counts Award", Bolingbrook/Romeoville Character Counts Coalition, October 2012.

Born and raised in Melrose Park, IL, Carpanzano resides in Bolingbrook with his wife "Dr. Nadia," their son "Luca," and their daughter "Mina." As a family, they love to travel, support local businesses, stay involved, and create memories.
