

FREE

OPPORTUNITY

Engage the residents of Bolingbrook with a "We're Back Open" Video!

Our community needs you! We want to help get you the [business-to-consumer](#) visibility and awareness you need to succeed as you re-open or re-launch your business!

Who is Eligible?

Any local Bolingbrook business (restaurant, retail, etc.) that is re-opening and has a message to share with the community!

Businesses that sell products or services welcome!

What Happens?

We'll coordinate with you to record a quick video to share your re-opening message, any specials, and any how you plan to keep everyone safe.

How Much?

No Charge! Just promise to spread the #ShopLocal message!

Video interview priority will be given first to small and locally owned businesses.

Messaging will be shared with the Bolingbrook community on local websites and social media channels!

#BolingbrookStrong: COVID-19 and Beyond!

This is a completely FREE opportunity to continue supporting our #EatLocal • #ShopLocal • #ShopBolingbrook message!
