

Acknowledgment and Acceptance of Risks

Les Amusements GRIDZ (hereinafter referred to as “GRIDZ”) are family indoor amusement centers offering interactive floor-based play installations suitable for a wide range of ages and physical abilities (hereinafter “Activities”).

Inherent Risks of the Activities

The Activities offered or provided by GRIDZ may be dangerous and involve risks that can lead to serious injuries or even death. These risks are notably related, without limitation, to the following:

- The possibility of falling on equipment, or colliding with objects and/or people.
- Each client’s physical condition, allergic reactions, and participants’ abilities.
- Temperature and/or other environmental conditions.
- My own actions, gestures, and/or omissions, as well as those of the minor Children for whom I act as a parent or legal guardian (hereinafter “Minor Child in my care”).
- Fatigue, dizziness, or health issues, which may reduce reaction time and increase the risk of accidents.
- The use of bright and flashing lights, which is not recommended for individuals suffering from epileptic disorders or hypersensitivity.

I understand that this description of risks is not exhaustive and that other unknown risks may cause injury, illness, or death. I acknowledge having been informed of the inherent risks of the Activities offered at GRIDZ.

Confirmation of Information and Acceptance of Risks

By signing this declaration, I freely and knowingly consent to my participation in the Activities and, if applicable, to the participation of the Minor Children in my care, fully aware of the dangers and risks associated with the Activities.

In the case of the use of equipment and/or participation in the Activities by the Minor Children in my care, I acknowledge that it is my responsibility to monitor and supervise them. GRIDZ is in no way responsible for any monitoring or supervision.

I acknowledge having reviewed the center’s internal Rules and Regulations on the website: <https://gridz.ca/reglements-et-risques>
