

# Taste & see that the Lord is Good - Psalm 34:8

Journey Autumn 2018

What a glorious summer this has been Friends! This summer we have welcomed 5 babies, facilitated over 400 Journey Sessions, & distributed a value of \$2,500.00 in diapers & wipes alone. That's a lot of cared-for "changes"!

Here are a few of the "bounties" harvested this summer at Journey. One client successfully completed 69 days of detox/rehab treatment as reported just the other day. Another client received a wonderful, FREE & much needed donated car for transportation to work. And a young pregnant girl wrote " I can see why you call it Journey--it's been quite a journey for me!" This young girl receives hope for her new path as she is working each day on remaining clean from drug-addictions, healing from a very painful past, & striving towards independence, sustainability & holding down two jobs for her & her baby's future. The support she receives from Journey is (in her words) a GIANT blessing. These are all breakthroughs, but more importantly, they are fruition of God's love & goodness we have the privilege to extend.

At Journey -- we offer a taste of God's goodness. **Full, rich, nourishing & strengthening. LIFE-PRODUCING.** *He brought me to the banquet house and His banner over me is love.* (Song of Solomon 2:4/ESV) Thank you for helping Journey share His goodness to the many that visit our "Banquet of His Love". Would you please consider a **Bounty Gift** to assist us in closing out our summer needs? Every gift is maximized & so appreciated!

Joyfully on the Journey!
