

# POWER IMMUNITY IV DRIP

## BENEFITS

- **Enhanced Immune Support:** Boosts your body's natural defenses, helping you ward off illness and recover faster.
- **Powerful Antioxidant Protection:** Neutralizes free radicals, reducing oxidative stress and promoting overall health.
- **Improved Energy Levels:** Replenishes vital nutrients, leading to increased energy and reduced fatigue.
- **Hydration and Wellness:** Provides essential hydration and supports your body's overall wellness.

## SCIENCE

- **Lactated Ringer's/Sodium Chloride 0.9% (500-1000ml):** A base solution that helps maintain fluid balance and provides essential electrolytes.
- **Zinc (10mg/ml - 3ml):** A vital mineral that plays a crucial role in immune function, wound healing, and DNA synthesis.
- **Ascorbic Acid (500mg/ml - 2-5ml):** Also known as Vitamin C, this potent antioxidant helps protect cells from damage, enhances the immune response, and promotes skin health.
- **Glutathione (200mg/ml - 5ml):** A powerful antioxidant that detoxifies the body, supports liver function, and boosts immunity.
