

RESTAURANTS

Our technicians are factory trained and certified to provide design, installation, service & inspections on all kitchen hood fire suppression systems.

FOOD TRUCKS / TRAILERS

We can come to your location, or you can come to our secure locations, for all the services you need performed. Our team can help design, install, service & test electrical systems, propane systems, kitchen hood & ducting, custom welding, custom equipment supports, Co2 systems, water tanks and plumbing systems.

KITCHEN HOOD FIRE SUPPRESSION INSPECTIONS

We perform NFPA 96 / 17A Kitchen Hood Fire Suppression Inspections in accordance with State of Alaska, Anchorage Muni and local, AHJ code requirements. We specialize in meeting each facilities individual requirements.

KITCHEN HOOD CLEANING

We recommend getting your kitchen hood cleaned before your inspection. We can get you set-up on a worry-free routine maintenance schedule.

Serving Alaska Statewide
