

# LUTE OLSON FANTASY BASKETBALL CAMP

**August 22 – 25, 2019**

The Lute Olson Fantasy Basketball Camp returns for year three! Campers will once again stay at the luxurious Westward Look Resort. It's been a popular place the last two years for coaches and campers to get together. Our camp is not just about the basketball, which is very competitive, but the new friendships made. Former UA players like Pete Williams are still talking smack with their new friends on our Facebook page!

All basketball practices will take place at the Sporting Chance Center. Instructors committed to date include Pete Williams, Matt Muehlebach, Ben Davis, Craig McMillan, Joe Turner, Bennett Davison, A.J. Bramlett and Matt Brase. Other former Wildcats are expected to be announced shortly.

A spot on the 2019 Lute Olson Fantasy Basketball Camp is priced at \$2,250 per camper (\$1,750 if hotel accommodations aren't needed); non-refundable deposit of \$500 is due by August 1st. Along with a roster spot, fantasy campers will receive:

- Three nights of resort accommodations
- All meals will be provided including two private dinner receptions with all campers and coaches
- Daily basketball instruction and team competition
- Personalized Lute Olson Fantasy Basketball Camp reversible practice top
- Lute Olson and instructors signed basketball, numerous UA related swag, and more
